Excerpt from ESF Junior Circuit Guidelines

E. 4. a) If a player makes a late withdrawal from a tournament (two days or less before the start date), a doctor's certificate confirming injury/illness must be provided to avoid penalties.

The medical certificate (with a translation in English) must clearly state the player's name, date of birth and the nature of the illness/injury; the certificate must cover the date of the relevant tournament and must be sent to the ESF office within two days after the final day of the tournament (email: esf@europeansquash.com).

Any player making a late withdrawal not supported by a medical certificate will receive zero points for the tournament which will count as one of their 4 best results for the rolling 12 month period and will be taken into account when dividing the points to obtain the ranking average.

This penalty will be applied automatically unless the ESF office receives a doctor's certificate within two days of the final day of the tournament. If a player commits this offence for a second time within a 12 month period, he/she will be banned from the ESF Junior Circuit for a period of 12 months.
